Ingrid Vanden Berghe

Tenth Plenary Meeting of UN-GGIM: Europe

22/11/2023

Context

- Support activities of UN-GGCE (Bonn)
- Share regional perspectives with global level
- Translate global priorities into actionable initiatives
- Avoid duplication of efforts: Col instead of WG

Progress

- 2022:
 - initial meeting with interested Member States
- 2023:
 - Acceptance of chair (Belgium)
 - Commencement of organizational work
 - Kick-off meeting
 - Opening UN-GGCE
 - Draft Terms of Reference (on hold until alignment with global level)
 - Focus on engagement

Progress

Activities 2024 (under development):

- Second Consultative Meeting for the Global Geodesy Development Plan
- UN-GGCE: Listening World Tour
- Coordination with EUREF (global <-> regional)

Listening World Tour

2023 - 2024
